

JARVIS AND WOMACK LTD

QUALITY POLICY

Jarvis and Womack Ltd is aware of the need to provide quality services to its customers on all contracts.

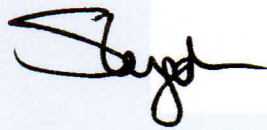

Our quality assurance system incorporates the identification of customer needs, together with Jarvis and Womack Ltd's commitment to supply and deliver our company's products and services at an agreed cost in accordance with statutory and regulatory requirements and to customers' expectations.

To ensure all contracts are processed in a manner which provides a quality service to our customers, we have implemented a quality management system which complies with BS EN ISO 9001:2015. The quality manual defines the system and the procedures and processes required.

We shall ensure that all employees are fully aware of their responsibilities to adhere to the standards required. We shall implement ongoing assessments to identify and deliver the necessary training and resources required to meet objectives and improve our performance.

We shall nominate a member of staff to continuously monitor and seek ways of improving the system. Recommendations made will have the full support of the Board of Directors.

This policy was adopted by resolution of the Board of Directors.
